PITCH SESSIONS

The MedFIT pitch sessions offer the opportunity to detect the most innovative and promising start-ups, R&D projects and licensing opportunities in order to foster partnerships and business development opportunities in the MedTech, Diagnostic and Digital Health fields.

Start-up Slams

The Start-up Slams are a great opportunity for **young companies** (and particularly for start-ups seeking to raise a financing round, **from pre-seed to Series B**) to showcase their project in front of potential partners and investors.

Collaborative and Licensing Opportunity Presentations

The Collaborative and Licensing Opportunity Presentations enables **TTOs, universities, research institutes and companies** to showcase their technologies in front of potential partners, in order to entail a collaborative project and/or a licensing deal.

Digital Health Presentations

The Digital Health Presentations allow **young companies, TTOs, universities and research institutions** to showcase their innovation in front of potential partners and investors in the Digital Health sector.
